1. WARRANTY TERMS

Six Degrees Flooring (“Manufacturer”) warrants to its original purchaser that, at the time of delivery by the Manufacturer, the flooring products described in the Manufacturer’s Catalog as listed below will conform to Manufacturer’s published technical documents.

All warranties, whether expressed or implied, are contingent on the following requirements:

1.1 ALL TECHNICAL DATA MUST BE REVIEWED

Products must be installed in accordance with Manufacturer’s published architectural specifications, technical data sheets, care and maintenance documents and other relevant technical information provided by the manufacturer for the Products (“Technical Data”) available at the time of installation. This includes technical data sheets of all associated adhesive and maintenance products, as well as proper product and adhesive selection.

1.2 NOTICE OF DEFECT PRIOR TO INSTALLATION

Manufacturer requests notification of any defect prior to installation. If this occurs, we will replace the material at no charge to the Installer or End User. Failure to notify prior to installation could result in voided product warranty. The installation of defective material waves any right to product and/or labor reimbursement, *this includes directives to install from End User, General Contractor, or any other source other than RHC Technical department.*

1.3 NOTICE OF DEFECT DURING OR AFTER INSTALLATION

If defect is discovered during or after installation, notification must be made to us. We must be permitted the right to a sample or inspection of the installation. Upon inspection of the sample or installation, if we determine the product to be defective, **we** will repair or replace the determined defective product, subject to the limitations of this warranty, and prorated as described section relevant to the limited manufacturers' and/or limited wear warranty. Intentional installation of defective material waves any right to product and/or labor reimbursement.

2. PRODUCT WARRANTIES

All products carry a Limited Warranty including wear, conformity to written specifications and to be free from manufacturing defects, subject to the terms and conditions of this document. Warranties are not transferable.

Product Warranty period begins at the **Date of Substantial Completion** of the project if installation occurs within a reasonable timeframe of original purchase of the material for the project. This would also include any "attic stock" or additional material at distribution for said project.

Each product will be listed with the length of this warranty according to product group. We reserve the right to prorate replacement material and/or labor based on the length of the product warranty. Proration occurs at the following intervals of the warranty. During the first 25% of the warranty, we will provide 100% replacement costs, 26%-50% of the warranty we will provide material and 50% of the replacement labor costs, 51%-100% of the warranty we will provide material costs only.

2.1 DEFINITIONS

We understand industry standard terminology is understood and interpreted differently. We would like to clarify and establish our understanding of the following terminology regarding our limited warranty.

2.1.1 WEAR STATEMENT is understood to mean through the decorative layer or visible sampled surface of the material

2.1.2 LIFETIME STATEMENT is understood to mean the original installation within the original facility and is not transferrable

2.1.3 WATERPROOF STATEMENT is understood to mean the structural integrity of the Luxury Vinyl Tile and Plank Flooring products will not degrade due to contact with moisture/water in standard conditions (does not cover flooding). Waterproof Luxury Vinyl Tile and Plank Flooring should not be used to mitigate an existing moisture condition and cannot prevent issues associated or caused by excessive moisture or alkalis in the subfloor or conditions arising from hydrostatic pressure.

2.1.4 LIMITED COMMERCIAL WARRANTY STATEMENT is understood to mean the warranty covers manufacturing defects, materials, stated performance, and wear for the product for the length of time stated

2.1.5 MANUFACTURERS WARRANTY STATEMENT is understood to mean the warranty covers manufacturing defects for the product for the length of time stated.

2.1.6 ADHESIVE BOND WARRANTY STATEMENT is understood to mean the warranty covers the bond of the flooring with the stated adhesive for length of time stated. We do not cover or provide warranty for bond for any adhesives other than the listed Recommended Adhesives. If another adhesive is utilized, the stated warranty for the product remains in effect but the bond warranty for the adhesive and the stated length of the bond warranty for the adhesive will come from the adhesive manufacturer or distributing agent.
